

The Clerk read as follows:

Amendment offered by Mr. TRAFICANT:
Add at the end the following new section:
SEC. 2. SENSE OF CONGRESS; REQUIREMENT REGARDING NOTICE.

(a) **PURCHASE OF AMERICAN-MADE EQUIPMENT AND PRODUCTS.**—In the case of any equipment or products that may be authorized to be purchased using funds provided under section 1, it is the sense of the Congress that entities receiving the funds should, in expending the funds, purchase only American-made equipment and products.

(b) **NOTICE TO RECIPIENTS OF FUNDS.**—In expending funds provided under section 1, the head of each Federal agency receiving such funds shall provide to each recipient of the funds a notice describing the statement made in subsection (a) by the Congress.

(c) **NOTICE OF REPORT.**—Any entity which receives funds under section 1 shall report any expenditures on foreign-made items to the Congress within 180 days of the expenditure.

Mr. TRAFICANT. Madam Chairman, I would like to commend the chairman of the subcommittee and the ranking gentlewoman on our side for their work on the bill. It is a good bill. Some of this money may trickle down to be used for the purchasing of some equipment and certainly some services.

Just briefly, I would like to say our last month's trade deficit was \$33 billion. Our trade deficit projected for this year will exceed \$300 billion. China is now taking \$100 billion a year out of our economy. Madam Chairman, even our trade deficit bears a label "made in China."

This is a very simple amendment that says any use of these funds, we recommend where possible, services and goods, if purchased, give the American worker and the American companies a tumble.

Mr. HEFLEY. Madam Chairman, will the gentleman yield?

Mr. TRAFICANT. I yield to the gentleman from Colorado.

Mr. HEFLEY. Madam Chairman, I thank the gentleman for yielding.

Madam Chairman, I am supportive of this amendment. I would like to commend the gentleman from Ohio for keeping our feet to the fire when it comes to this buy-American theme that the gentleman has been the leader in Congress on. I think in the appropriations bill where the money is appropriated, the gentleman has gotten the amendment in last year there, so we have it there. We have it in the authorization side. I think both are good, and I support the amendment.

Mrs. CHRISTENSEN. Madam Chairman, will the gentleman yield?

Mr. TRAFICANT. I yield to the gentlewoman from the Virgin Islands.

Mrs. CHRISTENSEN. Madam Chairman, we have no objection to the amendment as well.

Mr. TRAFICANT. Madam Chairman, I move the question on the amendment, and yield back my time.

The CHAIRMAN. The question is on the amendment offered by the gentleman from Ohio (Mr. TRAFICANT).

The amendment was agreed to.

The CHAIRMAN. Are there further amendments?

If not, under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. MICA) having assumed the chair, Mrs. MORELLA, Chairman of the Committee of the Whole House on the State of the Union, reported that that Committee, having had under consideration the bill (H.R. 581) to authorize the Secretary of the Interior and the Secretary of Agriculture to use funds appropriated for wildland fire management in the Department of the Interior and Related Agencies Appropriations Act, 2001, to reimburse the United States Fish and Wildlife Service and the National Marine Fisheries Service to facilitate the interagency cooperation required under the Endangered Species Act of 1973 in connection with wildland fire management, pursuant to House Resolution 135, she reported the bill back to the House with an amendment adopted by the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

The question is on the amendment.

The amendment was agreed to.

The bill was ordered to be engrossed and read a third time, was read the third time, and passed, and a motion to reconsider was laid on the table.

GENERAL LEAVE

Mr. HEFLEY. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on H.R. 581 and H. Con. Res. 83.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Colorado?

There was no objection.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. The Chair will entertain one-minute speeches.

CUBAN MUNICIPIOS

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks).

Ms. ROS-LEHTINEN. Mr. Speaker, fleeing the repressive communist regime that took the political and military power in Cuba on January 1, 1959, Cuban nationals started to arrive in the United States for freedom and democracy. The Cuban diaspora had to face the hardships of their new lives.

But despite their difficulties, the exiled Cuban-Americans succeeded in pre-

serving their cultural heritage. They never failed to dedicate time to promote liberty for the land they had left behind. They initiated ways to help their homeland regain its freedom.

In the early 1960s, the Cuban exile community regrouped by "Municipios," or cities from which they originated. The Municipios formed the Municipios de Cuba en el Exilio, the Cuban Municipalities in Exile, that became the largest Cuban organization outside of the island.

Undertaking numerous actions to advance the cause of democracy, freedom and human rights in Cuba, the Municipios also participate actively in projects aimed at improving mutual understanding in South Florida and beyond.

Mr. Speaker, I congratulate all of the Municipio members for helping to advance the cause of freedom and democracy in my native Cuba.

GARY YOUMANS, NATIONAL FINANCIAL SERVICES ADVOCATE OF THE YEAR

(Mr. ISSA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ISSA. Mr. Speaker, I rise today to congratulate Gary Youmans, a constituent of mine from Fallbrook, California. Mr. Youmans has been named National Financial Services Advocate of the Year by the U.S. Small Business Administration.

This prestigious award recognizes Mr. Youmans for his continued service to small businesses and his effort to encourage the flow of investment capital to small ventures.

I would like to take a moment to describe some of the many contributions that Mr. Youmans has made to advance the interests of small businesses.

In 1991, Mr. Youmans started with Community National Bank and, in 8 years, established an SBA loan department ranked in the top 25 banks nationwide in overall lending. For over 20 years, he has been involved with SCORE, a volunteer business consulting counseling program. He is also a founding director and original board member of the National Association of Government Guaranteed Lenders, an organization created to represent the interests of the small businesses lending community, who utilize SBA and other government guaranteed programs.

In San Diego, Mr. Youmans organized a consortium of 11 lenders of the Greater San Diego Chamber of Commerce to financially support the "Small Business Today" page that appears monthly on the San Diego Union Tribune. In addition to all of his business-related service, he also finds time to volunteer at a local church and the Boy Scouts of America.
